

5/6 S RAF Cosford Museum Trip

On Monday, our class (56S) visited RAF Cosford to take part in a Spirit of the Blitz experience as our topic this half term is linked to WW2 and history. We really enjoyed trying on the different items of clothing; they were really heavy and bulky. We loved seeing all the different aircraft and learning about what happened during WW2 when they were being attacked. We were fascinated by the amount of aircraft we could see at the museum.

We loved our trip!

P. T. 56 S

Dates for your Diary

Monday 6th May

Bank Holiday

Tuesday 7th May

Children return to school. Normal time, normal uniform

Thursday 23rd May

6J and 6S Blists Hill trip

Friday 24th May

Break up normal time. Normal uni-

Monday 3rd June

PD Day—staff only in school

Tuesday 4th June

School returns at normal times

Year 3 Shrewsbury Museum Trip

Year 3 had a wonderful time on Thursday when they visited Shrewsbury Museum for their Roman Memorable Experience Day! Each class had a fantastic workshop where they handled Roman artefacts and learnt about the Roman way of life in Britain. Then, we explored the brilliant museum and had great fun completing all of the interactive activities! A super day was had by all and we learnt so much that will help us with our history topic.

Year 4 Fordhall Farm Trip

On Tuesday, year 4 went on a trip to an organic farm called Fordhall Farm. First, 4C went bug hunting as 4T had their 'Field to Fork' farm tour! We discovered that worms were really important in helping plants to grow - we even sang a special worm song and did worm charming!

After lunch, we swapped activities. One of our favourite parts was being able to stroke the newborn lambs! We also saw plenty of other animals, such as cows, pigs and noisy chickens. Like a scavenger, we had to find chickens' eggs in the community garden. Unfortunately, when 4C found them, some of them were cracked! We had a great day and learnt lots ready for our 'Amazing Allotments' geography unit!

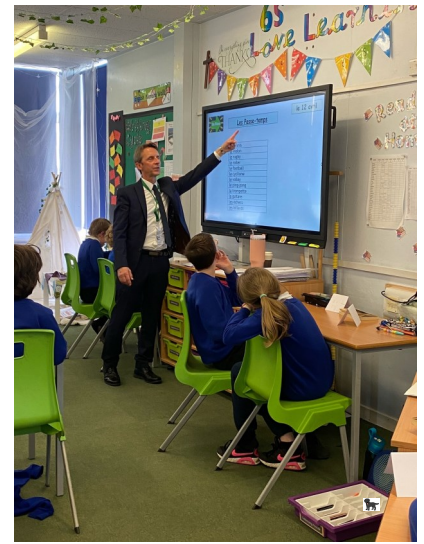

By Poppy M-D (4C) and Oscar C (4T)

Fantastic French!

Year 6 were very lucky to have Mr Cotterill (a languages teacher from TPS) to teach the children French as part of their MFL day. We learnt some different hobbies and phrases about past times and we all really enjoyed ourselves.

Thank you Mr Cotterill and TPS!

Attendance

Our whole school attendance was up last week from 93.34% to 95.63% which is fantastic. Thank you all for your effort with ensuring your child attends school. Well done to 3LB (98.28%) and 5B (98%) who were back to the top of the league. They have earned whole class Dojo points for having the highest attendance in their phases.

Attendance Matters!

Every Student, Every School, Every Day

The Wrockwardine Wood CE Junior School "Living life in all its fullness" challenge.

This week's challenge is to:
Plant some seeds in your garden

We would love to see your photos please email them to: a3129@telford.gov.uk

Active Families!

Here is an idea for a quick, active and fun activity you could carry out with your family this weekend! We hope you enjoy!

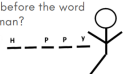

Stickman

What you need: A pen and piece of paper, one player, one person to choose the words.

How to play:

- One person (the word master) chooses a word and draws lines on the paper, one for each letter.
- The player guesses a letter that could be in the word. If they are correct the word master writes the letter on the correct line.
- If the named letter is not in the word the word master draws part of a stickman and the player must complete 10 of one of the below exercises: star jumps / hops / sit ups / jumping twists / press ups
- Can the player guess the word before the word master draws a complete stickman?
- NB. stickman to include head, body, two arms and two legs

Super Sporty Squad!

Here are our super sporty squad (minus year 5 who were on a trip!), meeting to discuss this year's Sports Day and Sports Week, as well as talking about some fundraising ideas to raise money for new goals for the astro-turf area.

Well done sporty squad, you are all superstars!

Well Done!

AM is a member of Fusion performing arts school. Last week, the school showcased the performances on screen at Cineworld – like a red-carpet event in Leicester Square!! What an opportunity. A thoroughly enjoyed acting in Camp Fire (which A and a friend co-wrote together) and Yes Sir. A had speaking parts in both and had many lines to learn. He received a medal for taking part in the performances. Well done!

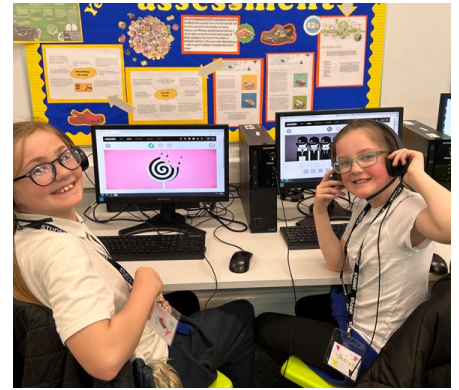

Please send in any fantastic achievements for our future newsletters.

Where's Nala? 🐾

Well done Mary B, you correctly spotted that Nala was hiding in the notice board in the hall on the Bear Force Assembly piece on last week's newsletter.

Newport Girls' High School

Last Friday, the year 5 girls had the opportunity to experience a day at the Newport Girls' High School! While we were there, we got to take part in a Spanish lesson where the teacher only spoke in Spanish, it was a privilege to hear him speak in English! After that, we had the opportunity to experience a computing lesson, where we made music using the computers, it was so much fun. Lunch at Newport Girls' High was so tasty and we were so lucky to eat there! This trip has made us really want to apply to the Newport Girls' High School and we are so excited for secondary school! Written by Megan and Lilly-Rae 5H

Year 5 Sabrina Trip

During our time in Shrewsbury, we had the amazing opportunity to go on the Sabrina Boat and travelled down the River Severn! This gave us first-hand experience of rivers and we learnt about where the River Severn starts and ends. It starts in the Cambrian Mountains in Wales and ends in the Bristol channel which is 4 miles wide! The River Severn is the biggest river in the UK! Back at the Quarry, we were able to look closely at the River Severn, taking the time to observe and draw it. We also had a moment of stillness in the picturesque, peaceful Dingle. Our knowledge of the River Severn has greatly expanded!

NUMBOTS

Just a reminder that your children have access to Numbots which is a really useful and interactive website where they can practise core skills like number bonds, addition and subtraction skills.

All they need to do is go on to the Numbots website (see the link below) and use their TTRockstars logon. They will give them access to lots of interactive videos and games to help them practise their maths skills.
