Parent Lunch Year 4

On Friday 28th November, the year 4s had their parents join us for lunch. We had a ham sandwich and a jacket potato and our parents had yummy fish cakes and chips! For pudding, we had delicious ice cream. We loved having our parents come in for lunch and we all enjoyed the food. Thank you to our wonderful kitchen staff! IW (4D) and SW (4M)

Year 4 Rock Climbing.

On Wednesday, we went rock climbing in the afternoon. I reached the top of the wall even though I was so nervous! We had challenges such as the floor is lava and we had to get a ball from the other side of the room. Some of the children fell in! I really enjoyed the whole afternoon.

Bottle Skittles

What you need: plastic bottles, a pair of socks, 1 or more players

How to play:

- Use empty plastic bottles as skittles. Set them up approx. 5m away.
- Use a pair of socks rolled into a ball and try to hit as many skittles as possible down.

Playing with more people?
See how many throws it takes each player to knock down all of the skittles.

Nala Portrait Competition

This term, students were invited to showcase their artistic talents in a special competition dedicated to our much-loved school dog, Nala. The challenge was simple yet inspiring: create a piece of art that captures Nala's spirit and charm. The response was overwhelming, with entries pouring in from all year groups.

The creativity on display was truly remarkable. Students explored a wide range of mediums, including delicate pencil sketches, vibrant murals, intricate 3D models, and even adorable stuffed toys. Each piece reflected not only artistic skill but also the affection our community shares for Nala. After much deliberation, the judges selected three outstanding winners: one first-place winner and two runners-up. These pieces stood out for their originality, craftsmanship, and heartfelt representation of Nala. Congratulations to our talented winners—and a huge thank you to everyone who participated. Your work has brightened our school and reminded us of the joy Nala brings to us all.

Tuesday 2nd December - Year 3 Firefighter Visit!

On Tuesday, we had a brilliant, interesting visit from Wellington Fire Brigade. They taught us about what to do if we had a fire in our house. We also learnt how to crawl under the smoke. Finally we counted how long it took for the Fire Fighter to get dressed into his special fire clothes. It took him 27 seconds. That is amazing! Our homework was to go home and learn our address and postcode because we need to know this if we ring 999 if there is a fire.

The school choir brought festive cheer to the local community this week by visiting Barclay Gardens care home and Lawndale community centre to perform a selection of Christmas carols. The students sang beautifully and created a warm, joyful atmosphere, with many residents joining in and sharing their own memories of Christmas. This visit not only showcased the choir's talent but also highlighted the importance of connecting generations and spreading kindness during the holiday season. It was a wonderful experience for both the students and the residents, leaving everyone feeling uplifted and full of festive spirit. - Miss Byrne

A Big Well Done on Attendance!

We want to give a huge round of applause to all our pupils and families for keeping attendance high during these challenging times. With lots of bugs, flu, and seasonal illnesses around, it's fantastic to see everyone making such a great effort to be in school and ready to learn. Your commitment really makes a difference!

Stay Healthy – Keep the Bugs Away!

To help everyone stay well and keep our school buzzing with happy, healthy learners, here are a few simple tips:

Wash your hands often – especially before eating and after using the toilet. Use soap and water for at least 20 seconds.

Catch it, bin it, kill it – always use a tissue for sneezes and coughs, then throw it away and wash your hands.

Avoid sharing drinks or snacks – germs love to travel!

Rest and eat well – a good night's sleep and healthy food help your body fight off illness.

Stay home if you're unwell – this helps protect your friends and teachers too.

Thank you for working together to keep our school safe and strong. Let's keep up the great attendance and healthy habits!
