## SEND Newsletter

Summer 2026

Hello and welcome to our final newsletter of the 2025-2026 academic year!

We now have 239 children in our school, 59 of who are on the SEND Register, making it 24% of our school. This is a growing number and we know this is also the picture nationally.

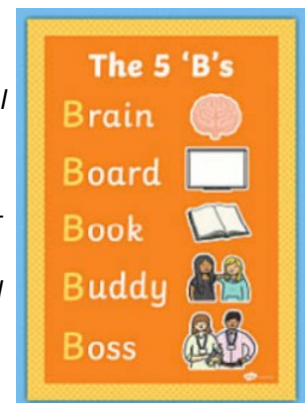

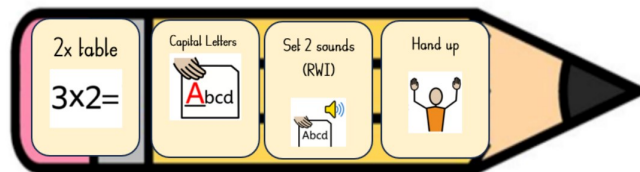

At the end of the Summer Term you will receive your child's complete provision map for the year to see the targets they have worked so hard towards and the progress they have made. If you have any questions about these, or anything else SEND, please don't hesitate to get in touch on the contact details below or through Class Dojo.

SEND Contact Details: 01952 387880 [alison.williams3@taw.org.uk](mailto:alison.williams3@taw.org.uk)

I wish you all a lovely summer and I look forward to welcoming you back in September.

### Pupil Voice

During the Spring and Summer Terms, our SEND Governor came into school to meet some of our children with SEND and look at their work. We followed them around school to get a view of the school day through their eyes and to see inclusion in practice. The children proudly showed off the work in their books and talked confidently about their independence. Ask your children about 'The 5 Bs' and how this helps them become independent learners. Children could also tell us how they know they are doing well. They weren't as confident in knowing what their targets are so we are introducing these child-friendly targets below in September, to help support children's understanding of their own learning journey:

### Training in School

This term, the Linden Centre, a specialist provision in Telford, have been offering a wide range of training for our Teaching Assistants. They have been learning about:

- Adapting the curriculum
- Adapting the environment for different needs
- Regulation and the learning environment
- Managing sensory impairments

Summer 2026

### SEN Coffee Mornings

We have hosted a number of coffee morning and afternoons this year through the PINS project, with PODS attending each one. For the summer term, we hosted a transition and SEN coffee morning; it was lovely to see so many of you in attendance. Our Mental Health Practitioner, Warrick, shared lots of great strategies on how to support your children with worries at this time of transition. If you couldn't make it, or would like a copy of the booklets he shared, please let me know and I can get a copy to you.

If you didn't get chance to give feedback, or would like to share your ideas about what you would like to see at the next coffee morning or afternoon, please follow the QR code.

We hope to host our next session in the Autumn Term so keep an eye out on the Newsletter and Class Dojo for announcements.

Telford and Wrekin produce their own SEND newsletter on their local offer. It is full of updates, useful training and links to other agencies.

Follow the link to read this month's update. If you register you can receive the newsletters straight to your inbox.

### SEND Reforms

This year, the government announced there would be SEND reforms due to the growing number of children with SEN in mainstream schools. Follow this link to read the parent information about these reforms:

[What Parents Need to Know About The SEND Reforms](#)

As part of the reform, all schools need to produce an 'Inclusion Strategy', this will be posted onto our school website in the Autumn Term.

## SEND Newsletter

Just a reminder that Telford Children's Autism Hub is now open to children on the **waitlist for a Bee-U/CAMHS assessment**, not just those children with a diagnosis. See [this link](#) for information about their current offers of support.

### TELFORD CHILDREN'S AUTISM HUB

Our Children's Autism Hub is available to children and young people aged 0-18, and their families, offering support for those with a formal diagnosis of Autism. We also now provide pre-diagnostic support for families who are on the Autism assessment pathway.

For individuals that have other needs, for example, a learning disability, the Autism Hub will provide support in respect of their Autism.

Our Hub is based at Hazledine House in the Town Centre

### Children's Autism Hub Opening Hours

Monday to Friday: 9am - 5pm

Saturday & Sunday: Closed

### Get In Touch

01952 262062 (24 Hour Answerphone)

Suite 12 & 15, Second Floor, Hazledine House, Central Square, Telford Centre, Telford TF3 4JL

Head to the *PODS* website to see what they have on offer over the summer. See below for the benefits current *PODS* users report for being involved with the Parent Carer Forum.

#### The Main Benefits For Families Involved With *PODS* Parent Carer Forum Are:

- Support and Community: Families receive support and can connect with others who understand their experiences.
- Voice and Influence: Parents can share their opinions and experiences to help improve services.
- Information and Resources: Access to reliable and helpful information to make informed decisions.
- Events and Learning: Opportunities to attend events, workshops, and meetings to learn and discuss important topics.
- Improved Services: Collaboration with various sectors to enhance services for children and young people.
- These benefits help families feel empowered, informed, and supported in their journey.
