Creating the Slides

Aim

- I can create slide templates and organise slides with hyperlinks.

Success Criteria

- I can create slide templates to match my story.
- I can copy the slide templates to create all the slides I need for my story.
- I can create the hyperlinks required from slide to slide.

Templates

To create your two templates use a “Title and Content” slide layout.

The Title section will have a title for that part of the story, and makes linking to the slides easier.

The content will have the story text.

Create and format one or two other text boxes to be used as hyperlinks.

Cinderella – the beginning

- Cinderella was cleaning the filthy house. Her ugly step-sisters got an invite to the ball. Should Cinderella look at the invitation or not?

Yes – It's interesting

No – you don't look at other people's letters

The invitation

- Cinders opens the invitation and sees that the ball is on TONIGHT. Sadly, she cannot go. "I wish I could go to the ball said Cinders! Poof – a cloud of smoke appears in front of her. What should she do?

Run away – smoke is dangerous.

Take a look – you think somebody is in there

Layout

Whole Class

Look at the next two slides and think about the layout.

Consider the font, the colour and how the features are laid out.

What could you do differently?
