### Royal Navy Visit

Today the Royal Navy came in and talked to us about a life as a Marine. Firstly, we did some role playing about landing a Helicopter on a ship which was very fun. Then we made some paper helicopters and tested them. Afterwards, Rob (one of the people who came to talk to us) made a little competition which Xander won and the

winners won wristbands. Finally, we got to ask them questions such as what is the fastest ship? and how long did you stay on a boat? which they gave us the answers to. Thank you for coming to talk to us!

### Luke Temple

On Tuesday, we went to the hall and had a fantastic workshop with Luke Temple, a brilliant author! We talked about his books ( including Traitors Revenge, Traitors Treasure and the Mutating Mansion). He was really funny and we loved listening to him! He got some volunteers on stage to tell a one word each story and do some drama. We asked him lots of questions and found out a lot about his life including that he was born on Halloween! Some of us bought his books and got them signed by him! We all wrote some stories the next day which we really enjoyed! It was a great experience 😊

### Wonderful Walsall Art Gallery!

We had a brilliant day at the Art Gallery. It started with a workshop, where we carried out a printing activity to make some really effective designs. Then we looked at all the amazing art work and had a talk from the gallery staff about sculptures. Then we had some time to explore and do some sketching ourselves. It was a great day and we all really enjoyed ourselves! By Amelia, 6S

On 23<sup>rd</sup> January, Year 6 had a very special visit to Walsall Art Gallery. Whilst we were there, we took part in many interesting activities such as printing and plasticine sculpturing. In the print making session, we learnt all about texture. We used lots of different materials to create a variety of textures for different parts of the landscape artwork we had created. During the visit, we explored different forms of artwork including looking at flowers in their natural form. Overall, we had a lovely time; we would rate it a 9 out of 10.
