International Women's Day

On Thursday 6th March, we celebrated International Women's Day and were thankful for all of the amazing women who have made incredible contributions to the world.

All classes took part in a range of activities throughout the day, focussing on different inspiring female figures such as Rosa Parks, Greta Thunberg, Sarah Gilbert and Yayoi Kusama!

Brilliant Books!

Here at WWJS, we love reading and some of our pupils have created book reviews to recommend some of their favourites! If your child would like to create a book review for the newsletter, please email it to Mrs Slow: Kerry.malt@taw.org.uk and we will share it with our school community! Thank you for your support .

Healthy Eating

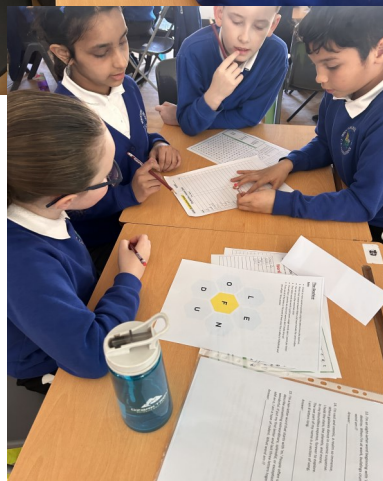

We aim to promote healthy eating throughout the school and as part of this we do not allow children to bring chocolate bars or sweets in as snacks for play-time or within their lunchboxes. Please ensure that you support us with this. If children are found to have these items in their lunchboxes they will be asked to take them home and not eat them in school. Chocolate biscuit bars are fine. Thank you!

Year 5 Spelling Bee

Last Friday, we went to the Haberdashers Adams' School Spelling Bee. When we arrived we were kindly greeted by the sixth formers and they led us to our table. There were word searches and crosswords as well as many more activities. When we started we had to do a speed spelling in a group and we all took turns in writing the answers. Next we did the beehive which was a game where you had to make as many words as possible with a certain amount of letters. After the beehive we participated in crosswords and we had to use the clues to work out the words and put them in the boxes. The next challenge was riddles and they were quite hard to do! The final one was a word escape room! We had so much fun and are so glad we got to go!

World Book Day

Thank you very much for all the parents and carers who turned up for the SEND Coffee afternoon. The children were thrilled to share their hard work with you all. We had our Mental Health Practitioners sharing some information about their service and some practical information about low mood and anxiety. Mrs Williams also shared useful links on the Local Offer, PODS, Autism Hub and Strengthening Families. Please contact Mrs Williams via Dojo, or the school office if you would like a copy of any of the presentations shared on the afternoon. Thank you for all the feedback, another afternoon will be planned for the summer term.

“On Tuesday afternoon my Dad came to the SEND coffee morning. In the short space of time me and my Dad got to look at my books. I am very proud of my books and the work I have done them. We had a great time and got to see other people with needs. We found out from looking at the other kids and me some people have needs that can't be seen. My Dad got to stay and chat to some other parents and some people who help with people who have needs. It was good to show my Dad my books and he learned something he didn't learn at school! I showed him how to do the column method in maths”

MFL Phrase of the Week!

Here is our French phrase of the week!

We hope you enjoy practising and learning it at home!

Active Families!

Here is an idea for a quick, active and fun activity you could carry out with your family this weekend! We hope you enjoy!

Tails

What you need: 2 players min and a pairs of socks per player.

How to play:

- Each player tucks the socks into the back of their trousers to make two tails.
- Players face each other and try to take a sock from their opponent.
- When successful, shout 'TAG'. Play stops whilst the tagger places the additional sock into their trousers.
- The winner for each round is the person who gets all four socks, they get one point for winning the round.

Who is the first to 5 points?

This week's challenge is to:

Have a family game night.

We would love to see your photos please email them to: a3129@telford.gov.uk or DoJo to your class teacher.

World Book

Day 2025

We've had a fantastic day here at WWJS, celebrating World Book Day! We've all carried out a range of activities including discussing and sharing our favourite books, having a 'book tasting' session, writing stories linked to our favourite texts, creating art work based on book covers and generally having an enjoyable time celebrating reading! If your child has been interested in World Book Day and would like to continue with some activities over the weekend, visit the website:

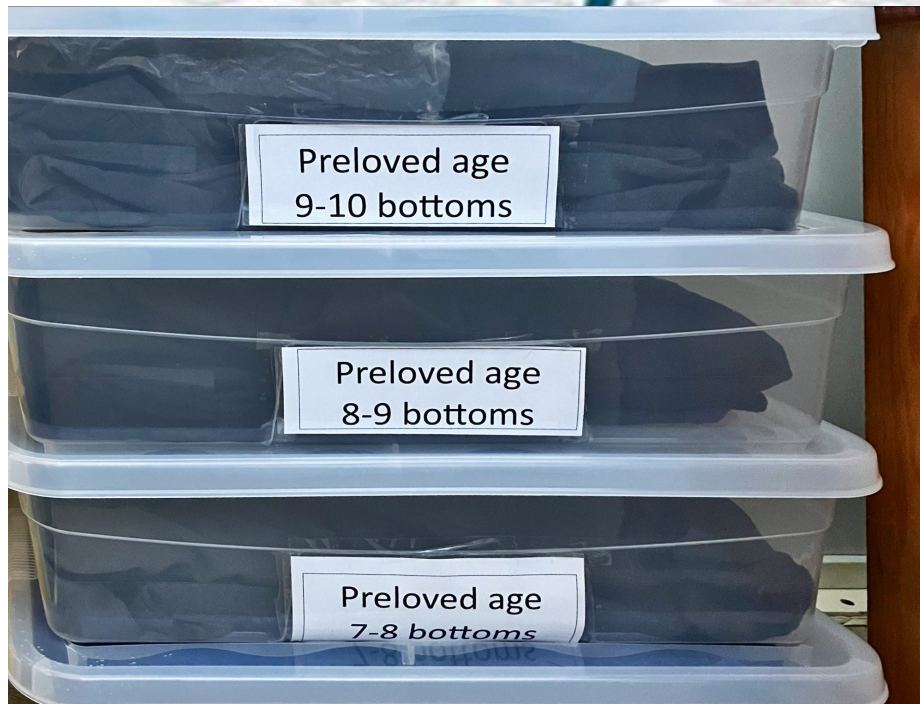

www.worldbookday.com

which has a variety of competitions and activities for you to try. Your child should have come home with a £1 book token to either put towards a book of their choice or to buy one of the world book day books which should be on sale in local bookshops. We are really impressed with the fantastic range of costumes worn by the children and we would like to thank you all for your support with reading at home, which makes a huge difference to the children's progress. We hope you have a lovely weekend and enjoy some reading time together!

We welcome you to use the uniform swap shop

We have a free uniform swap shop located in the entrance hall of school.

Please leave what you can and take what you need.

Donations are always welcome please drop them off with the lovely ladies in the office.

What parents need to know about

AGE RATINGS

If you have children, it is understandable to have concerns about the films and TV shows they watch, as well as the games they play. In this guide, we take a look at the two official ways you can assess if a particular title is suitable for your child. Both the BBFC and PEGI have search facilities on their websites that can be used to look up individual titles so you can check their ratings.

RATINGS FOR FILMS, TV & MUSIC VIDEOS

Since 1912, the BBFC (British Board of Film Classification) has informed UK residents of the age suitability of films, TV and music videos - providing parents with the information needed to assess whether or not it is appropriate for their child's age. This applies to cinema releases, DVDs and streaming video services such as Netflix.

WHAT ARE THE BBFC RATINGS?

BBFC ratings are broken down into seven age categories:

Universal, suitable for all ages	Parental Guidance required	Suitable for people aged 12 and over	Suitable for people aged 12 and over; anyone younger must be accompanied by an adult
Suitable for people aged 15 and over	Suitable for people aged 18 and over	Adult content only available in specially licenced cinemas and specialist retailers	

WHAT ELSE CAN BBFC REVEAL?

Accompanied with the age suitability rating, BBFC also provide an additional warning regarding the content and what to expect, such as swearing, sexual content, violence and anything you may consider to be inappropriate for your child. In addition to this, the content is also rated in three levels: frequent, mild or strong.

LIMITATIONS OF BBFC RATINGS

It's important to note that there is no obligation on streaming video services to use or display BBFC ratings. Due to this, we advise that you check the rating online before your child streams the content. It may also be a good idea to watch the content first yourself or discuss it with other parents to help you decide whether or not it is suitable for your child.

RATINGS FOR GAMES

PEGI (Pan European Game Information) is a content rating system that ensures all video games are labelled with a minimum age recommendation. These age recommendations are based on the types of content featured within a game. With each game, PEGI also provide a content descriptor that indicates the potential issues and concerns, including sex, violence, bad language and drugs.

WHAT ARE THE PEGI RATINGS?

PEGI ratings are split into age restriction and content descriptors. Additional 'content descriptors' help parents and children to understand the type of content featured within a particular game, including sex, fear, bad language, discrimination, gambling, drugs, violence, and in-game purchases. In combination, the two different ratings can provide a good level of information to help make informed decisions regarding the suitability for your child.

PEGI age ratings are broken down into five categories:

www.pegi.info	www.pegi.info	www.pegi.info	www.pegi.info	www.pegi.info

PEGI content descriptors are broken down into eight categories:

--	--	--	--	--	--	--	--

LIMITATIONS OF PEGI RATINGS

It's possible for young people to buy games online without a required proof of age, opening them up to age-inappropriate content without you knowing. We advise that you regularly monitor your child's gaming activities and maintain a honest and healthy dialogue with them about the online world.

PARENTAL CONTROLS

It is a good idea to put in place parental controls for all online accounts which your child may use to purchase or download online games e.g. The App Store, Google Play Store, PlayStation Store and Microsoft Xbox Store etc.
