

A 'deep dive' will take place to monitor and enable continual development of the quality of teaching and learning in collective worship to ensure it provides opportunities for pupils to flourish.

Reflection areas in classrooms and around school will continue to be developed school in order to ensure pupils have regular opportunities for deep and meaningful spiritual reflection.

We will continue to work with the Spiritual Ambassadors team in delivering child-led, high quality collective worship.

We will extend parent and carer involvement to include RE, enabling a sharing of faith experiences and religious practices.

We will work together with local church schools in a new Church School Collaborative, where we can share good practise and come together to enable continuous improvement.

We will ensure there are opportunities for extended writing in RE, enabling our pupils to apply their understanding of religious literacy in differing contexts.

A 'deep dive' will take place to monitor and enable continual development of the quality of teaching and learning in Religious Education.

We will empower pupils to understand how different strategies can support them to take action and become positive Agents for Change.

We will continue to support the whole school community in continuing to confidently articulate our school vision and the theology that underpins this.

We will support staff to follow the new and revised curriculum for RE, providing opportunities for children to develop a range of skills (e.g. enquiry and comparison) and appropriately adapt learning for our pupils.

We will continue to reinforce children's personal and spiritual development through continuous links to Christian and British values as well as other religions.
