

HISTORY 2026 - 2027 PRIORITIES

Key Priorities for History Teaching & Learning:

Develop pupils' use of historical vocabulary so they can discuss and write about the past like historians.

Help pupils learn, remember and use key history knowledge to make progress through regular pupil voice.

Make history inclusive for all learners including those with SEND, EAL, disadvantaged backgrounds and protected characteristics.

Build pupils' resilience through perseverance, problem-solving and learning from challenges in history.

Increase opportunities to explore historical events through assemblies, awareness days, lessons and picture news.

Give pupils more chances to investigate historical sources, ask questions and form their own conclusions using evidence.
